August, 1988

Honourable Jim Dinning
Minister
Community and Occupational Health
Room 402, Legislative Building
Edmonton, Alberta

Dear Mr. Dinning:

The Alberta Vital Statistics Annual Review 1987 is a summary of all vital events which have occurred in Alberta during the calendar year 1987, as of March, 1988.

The statistics presented in this Annual Review are compiled from the events registered in the Vital Statistics Information Terminal System. The Annual Review is produced primarily for the purpose of providing ready reference to some of the more frequently used vital statistics for Alberta. It has only a minimum of analysis and interpretation of the data.

Respectfully submitted,
